HOW TO REGISTER & ENROLL FOR HIGH SCHOOL GYMNASTICS IN CLASS MANAGER

1. In order to create a parent account, go to the following link:
<https://app.classmanager.com/portal/monaca-turners-gymnastics/register>
2. On this page, you will be able to create your Parent Account. When creating your password for this site, please make it 12 characters long and must contain numbers/upper & lower case letters. The password must also start with a letter not a number. If your password doesn't meet these requirements, you will have issues signing on. Once you create your login, it will take you to our registration form to be filled out. Please keep in mind if any of your personal data should ever change (address, phone numbers, etc.) you will now have access to update it at any time. It will be your responsibility to keep this information updated.
3. Once you have set up your password and completed the registration form, please make sure to set up the contact information. This is where you will set up who will receive emails other than the customer who established the account. It would be wise to include both Mom/Dad/HS Gymnast and whoever else may transport your child to the gym in case of last-minute mails that go out. Emails are our main form of communication with our parents and gymnasts. To go to the contact box, click on the contact tab at the top of the page. If you are signing in from a device other than a desktop computer, click on the 3 lines in the left-hand corner of your page for the contact drop down box.
4. Now you are ready to enroll in our classes. To enroll for a class, you will need to go to the CLASS drop down tab at the top of the computer. Once again, if you are signing in from a device other than a desktop computer, click on the 3 lines in the left-hand corner of your page, for the Classes drop down box. This is where you need to go to enroll your child into the HS Team which your gymnast will be competing for. (Make sure to go to the HS Gymnastic Season 2023-2024) If you plan to represent a school other than Beaver, CV, Hopewell, South Side, and WA - please enroll under the HS Independent Gymnasts. There will be no cost to enroll in HS gymnastics, we just need to attach your student's information to the correct HS team. This way you will only get emails that pertain to your HS. Also, if you are a gymnast that needs a place to work out during the HS season, you will also have to enroll in our High School Only Gymnastics – the cost is \$375 (if starting on 11/17/23) or \$450 (if starting any time before the mandatory practice date). Please contact Cherie Mulford (cheriemulford@msn.com) to set you up for these HS Only classes. (If you are a current Monaca Turners team member, this fee does not apply to you.) All fees must be paid before your 1st practice (for those that start before the mandatory practice date). All HS tuition payments must be received 24 hours before the first mandatory practice date of November 17, 2023 – no exceptions! If payment is made on 11/17 or after, a \$25 late fee will be applied to your invoice. The only form of payment accepted is debit/credit cards. If this cost pertains to you, an invoice will be sent out by email. Once you receive your invoice - at the bottom of the page you will see the link to Pay by debit/credit card. If at any point you are having issues with this process, please contact, Coach Cherie at: cheriemulford@msn.com. Thanks.
